

Day 4

ON TOP OF ALL THE EXTRA WORK
WE'RE DOING

...being asked to update modules for 2021/22 at short notice...
admin, lectures, seminars taking more time because they're online,
vastly increased pastoral care responsibilities...

GETTING AN EMAIL FROM
UNIVERSITY EXECUTIVE BOARD WITH

handy tips about exercises
you can do at your desk

was galling.

the Real Employees

overloaded

OF UNIVERSITIES & COLLEGES

i'm JUST
barely
clinging on
WITH MY
fingernails
IN THE cliff
face.

i'm PRETTY STOIC &
ABLE TO COPE WITH TOUGH
TIMES

but i cry
most days now.
