...Casualisation does really harm  
academic performance, and I think  
universities should strive for the  
best performance...

...emphasise societal impact of  
universities, but with neoliberalism  
the kind of facilities to give that outer  
community have declined... YUP YUP

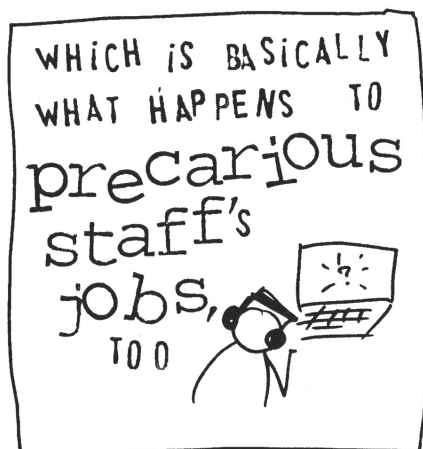

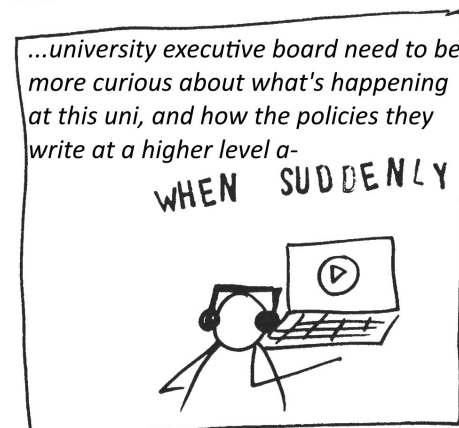

...these are the people  
that you will need in 5, 10, 15 years...

Casual contracts  
have no place in a  
world-leading  
university that has a  
commitment to  
social justice
